

HUNTINGFIELD PONY CLUB WINTER WOOLLIES SERIES

WINTER 2017

This year's Winter Woollies dressage series is finally complete. The weather this winter proved to cause a few headaches and some wet set ups and cold days!

Thank you to all the riders and their supporters who participated in the series. All the judges, Peter Walker who scored all three days, everyone who helped officiate, people who worked in the canteen and just everyone who made the days successful.

I need to especially thank Katherine Drake who put all the entries onto Nominate and helped with draws. Kate Travers who also spent endless hours on the draws and Gertie Nijborg who was number one organiser to set up for each of the three days.

As well as results for each individual day we also had held a series competition in each of the divisions. We were very lucky to secure sponsors for each division for our overall champions. Riders needed to compete in a minimum of 4 tests to be eligible for champion series. Riders best four tests were added up and then the highest percentage won overall. In the elementary series riders only needed best of 2 results as only 3 tests over the whole series were offered. There were some very, very close results!!

Meegan Daun
